25X1

1. The headquarters of the M.D.P. in PECS are situated on the north side of the square known as SZECSENYI TER. One flank of the building is in the street leading north to the BAJCSI-ZSILINSZKI barracks (now used as a hostel for single men employed in the uranium mines at KOVAGO-SZÖZÖS).

2. The MEGYEI TANACS is east of, and adjacent to, the M.D.P. H.Q. Its front is in the SZECSENYI TER whilst its eastern wall is in the JOZSEF NADOR UT.

3. Police headquarters is in a former private house two storeys high, and about five minutes walk from the main railway station. Precise location unknown but not thought to be in KILIAN GYÖRGY UT - although there is an artillery barracks here. 25X1

4. A.V.H. headquarters is in the SZAZTORNYU LAKTANYA, a large, red-brick building with a large number of towers (SZAZTORNYU means "with a hundred towers"). The precise location cannot be given but it is believed to be on the outskirts of the town, towards the west. The building was formerly an Army barracks.

5. The main Post Office is only five minutes walk from the railway station. Precise location unknown.

6. The PECSOJHEGY power plant is actually situated on elevated ground about 2 km. S.W. of PUSPÖK BOGAD and about 3 km. from the main PECS-PECSVARAD road. A large new plant has been built next to, but not touching, the old power-house. It is of red brick and is most conspicuous. It is two storeys high, and there appear to be no chimneys. It is believed to have been completed in 1955 and is much larger than the old building.

7. The municipal bus depot is adjacent to the level crossing at the junction of the main SZIGETVAR-PECSVARAD railway line and the HARSANY-PECS road.
